**August 4<sup>th</sup>, 2007**

OUR PURPOSE is to bring unity to our region through worshipping together as the body of Christ. To fulfill our role as priests in this region, releasing God's anointing into the spiritual realm through our corporate worship, tearing down the strongholds that have separated the body of Christ and held this region under a cloud of darkness, to bring pleasure to our heavenly Father, allowing Him to pour Himself out in this region.
